As a parent/guardian of a student-athlete at Agoura High School, we ask that you adhere to the following:

- ✦ Realize that athletics are part of the educational experience, and the benefits of involvement go beyond the final score of the game.
- ✦ Encourage our students to perform their best, just as we would urge them on with their classwork.
- ✦ Participate in positive cheers that encourage our student-athletes; and discourage any cheers that would redirect that focus – including those that taunt and intimidate opponents, their fans, and officials.
- ✦ Respect the rules of the game, the officials who administer them and their decisions.
- ✦ Respect the task our coaches have as teachers, and support them as they strive to educate our youth.
- ✦ Respect our opponents as student-athletes, and acknowledge them for striving to do their best.
- ✦ Understand that playing time, game strategies, placements, or players other than your child will not be discussed with the coach. It is the coaches' decision.
- ✦ Understand that all concerns should be addressed through agreed-upon athletic department procedures-using the AHS Athletic Concern Form.
- ✦ Conduct yourself with a sense of dignity and civility under all circumstances.

We, the parents of _____, have read and understand the expectations set forth by the Agoura High School Athletic Dept.

Permission to Appear on our School Website

This year we would like to showcase what makes our school so special: our students and the wonderful work that they do. In order to do this, we need your permission to show student work or pictures of your child. When we label art work, or when we refer to the picture of a student, we always refer to the child by his / her first name only. If a parent prefers, a child can be referred to simply as "student". Please take a few moments to read and sign this form, then return it to the school.

Thanks!
